DECISION

ON PETITION UNDER

37 CFR 1.137(b)

Applicant's "Petition For Revival of an International Application For Patent Designating the U.S. Abandoned Unintentionally Under 37 CFR 1.137(b)," filed in the above-captioned application on 15 October 2004 is **GRANTED**.

Applicant's statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional," satisfies 37 CFR 1.137(b)(3). The petition fee and basic national fee have been submitted. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

A signed oath or declaration has not yet been submitted.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continued processing in accordance with this decision, including the mailing of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a)-(b) is required.
